MOTORISED ON-OFF LOAD BREAK SWITCH PV 250A 1000VDC

Code	01755MPV4025
EAN	8430892293549

Product description

Motorized Load Break Switch 250A 1000Vdc. Size B4 4 poles (2 poles per polarity) 160x395x245. Power supply for motorized 230V (166/332). The high performance of the materials used gives it a high thermal and dynamic resistance. Optional accessories with serial bridges, auxiliary contacts, covers, protection screens, phase barriers.

Dimensions

Product height	160
Product width	395
Product length	244,5

Technical data

Poles	4
Thermal rating (Ith)	250 A
Impulse voltage (Uimp)	12 kV
Maximum Cu cable cross-section	120
Maximum Cu busbar width	32
Tightening torque	20/- Nm
Connection screws	M10
DC21B	250 A
Standard	IEC 60947-3
